RAFAEL ROCHA

FRONT END DEVELOPER

ABOUT ME

I'm a 19 years old Full Stack Web Development student at Trybe! I have great capacity to study, hunger for knowledge and always wanting to learn new technologies, I'm creative, communicative, open minded and always willing to face the unknown.

ACADEMIC BACKGROUND

Mounting and Maintenance (2018-2019)

Web Development (2022)

Front End Development (2022)

LANGUAGES

English - Intermediate (2018-2022)

French - Basic (2021-2022)

EXPERIENCE

Internship in Electronics Maintenance (2019-2020)

During this internship I was responsible for the maintenance and formatting of 40 machines per week, I learned a lot during this time, it was where I had my first contact with programming and where I typed my first lines of code.
